

Supporting Resources and Materials from Summit 2024 Speakers' presentations:

Community Planners Workshops - January 24, 2024

Avery Kelly - Ministry of Housing

- [BC Ministry of Housing - Small-scale, Multi-Unit Housing \(SSMUH\)](#)
 - Overview of provincial government housing initiatives to support local government's in their development of SSMUH. Includes links to various resources including Policy Manual and Site Standards, along with insights on Bill 44.

Heather Peters - California

- [Regional Housing Technical Assistance](#)
 - The Regional Housing Technical Assistance (RHTA) Program provides one-of-a-kind technical assistance to support local governments in complying with rapidly evolving laws and adopting and implementing compliant Housing Elements.
- [Casita Coalition](#)
 - Casita Coalition is the only statewide (US), multi-sector organization that brings together all key players to remove policy barriers, making a big impact through neighborhood-scale homes. The website provides a suite of resources aimed at supporting the development of a range of middle housing typologies, including duplexes, cottage clusters, multiplexes, townhomes and ADUs
- [City of San Jose - Accessory Dwelling Units support materials](#)
 - A collection of reference materials to support the development of ADUs in line with planning, building and code enforcement requirements.
- [Napa Sonoma ADU](#)
 - The Napa Sonoma ADU Center is a fiscally-sponsored project of Napa Valley Community Foundation with support from Community Foundation Sonoma County and others. It provides a broad suite of tools and resources to support the development of ADUs (or "Granny Flats"), including an ADU Workbook, ADU Calculator, and spotlights of your Napa and Sonoma County neighbors who have built ADUs, among others.
- [California Housing Legislation Highlights](#)
 - Visual infographic containing an overview of all the key housing legislation delivered in the state of California (as of March 27, 2022).

Supporting Resources and Materials from Summit 2024 Speakers' presentations:

Adam Weinstein - Washington

- [City of Kirkland - Housing](#)
 - *Overview of the policies/legislation being deployed by Kirkland to explore ways to promote ADUs, condominiums, co-housing, cottages, and other smaller forms of housing to more attainably meet contemporary housing demands*

James Moore - Kelowna

- [City of Kelowna - Infill Housing](#)
 - *Overview of support materials developed by City of Kelowna detailing why expanding infill development makes sense in managing housing challenges and growing population.*

Cross-Sector Workshops - January 25, 2024

Jeff Waters

- [Waters Development Management](#)
 - *Overview of the key services offered by WDM, including feasibility studies to development scheduling, permit management, pro forma development, public engagement and more.*

Bertine Seltzer

- [BC Hydro - Energy Efficiency](#)
 - *BC Hydro's collection of resources aimed to provide tips, advice, and valuable rebates to help improve your home's energy efficiency and save on your energy bills.*

Ken Kunka

- [City of Penticton - SSMUH](#)
 - *Overview of Penticton's Planning & Land Use work, including promoting of gentle density homes.*

Supporting Resources and Materials from Summit 2024 Speakers' presentations:

Alli Thurmond Quinlan

- [Flintlock Lab](#)
 - *Flintlock LAB (landscape, architecture, building) is a multidisciplinary consulting firm based in Fayetteville, Arkansas.*
- [Incremental Development Alliance](#)
 - *The IDA is a non-profit organization that strives to grow the capacity of regular people to develop hard-working, loveable small buildings in their neighborhoods. The group offers aspiring developers training and mentorship to help them take the first steps toward their small-scale real estate development projects.*

Tony Osborn

- [TOAD Design](#)
 - *TOAD is a full-service architecture + design practice with a keen eye for unique & modern design solutions that enrich client's lives & look beyond the status quo.*

Mark Sakai

- [BC Real Estate Association - Housing Affordability](#)
 - *Overview of key work being undertaken by BCREA to progress work on housing affordability across the province.*

Jake Fry

- [Smallworks](#)
 - *Smallworks is a small-scale development company that champions sustainability, innovation, and design solutions that help customers get the most out of their space.*
